

Metis Settlements General Council

# 2025 MSGC TLU Consultation Conference

The TLU Consultation Conference is meant as a reintroduction of consultation to Settlement members, councilors, industry partners and stakeholders. To present the immense significance of consultation to those unfamiliar with the process and how consultation fosters transparency, inclusivity, and informed decision-making.

This conference is geared towards Settlement members who have vested interests in their communities and want to learn more about consultation and why it exists.
